<b>What do these fees cover?</b>	Image Design Exhibit Rentals ships all jobs out of Las Vegas, and we make every effort to have a full time member of our staff at each and every setup to ensure quality. If the job is not in Las Vegas, we drive the job to the show or we ship it. The out of venue fees assist in defraying the freight and travel costs associated with jobs not in Las Vegas. These fees are not a profit center nor do they even cover the associated costs in full by any means.
